SUPPLEMENTAL OFFER AND ACCEPTANCE PROGRAM

Supplemental Offer and Acceptance Program

- SOAP is not a second match. It is a series of offers by programs.
- Applicants express preferences by applying to programs.
- Programs express preferences with lists of applicants.
- The R3 System offers positions to applicants in order of a program's preference.
- Applicants can receive multiple offers in any round.
- Positions offered/accepted during SOAP establish a binding commitment enforced by the Match Participation Agreement.

Applicant Eligibility

Applicants must be able to enter GME on July 1

Applicant eligibility determined by:

- U.S. Seniors: Medical School
- Prior-Year Graduates: Medical School

The “All-In” Policy

Current NRMP Policy

“Some In, Some Out”

- *If any of an institution’s programs participates in the Main Residency Match, all of the institution’s programs must offer positions to U.S. seniors through a match.*
- *U.S. seniors cannot withdraw themselves from the Match.*
- *Independent applicants can be offered positions through the Match or outside it, and can withdraw themselves.*
- *By January 31, programs must decide how many positions will be in the Match.*

Positions Outside the Match Methodology

- *Combined data from NRMP DW and GMETrack for residents entering GME in 2008*
- *Cohort included 28,633 persons:*
 - ✓ *24,474 in 1st residency in 2008 in an NRMP specialty*
 - ✓ *4,159 in a new residency after 1 year in a different program*
- *“Outside the Match” defined as:*
 - ✓ *Not registered for the Match*
 - ✓ *No certified ROL*
 - ✓ *Withdrawn for “Non-NRMP Position”*
 - ✓ *Withdrawn for “Applicant’s Request”*

Positions Outside the Match

Key Findings

More than one-third of GME programs in NRMP specialties filled at least 1 position outside the Match.

One of every 7 residents found positions outside the Match.

States with the largest percentages of programs taking applicants outside the Match: AL, WY, RI, NY, NJ, PA, Puerto Rico.

Specialties in which at least 40% of programs took applicants outside the Match: AN, FM, IM, NM, PTH, PD, PSY.

New NRMP Policy “All-In Programs”

- *Beginning with the 2013 Main Residency Match, any program that participates in the Match must register and attempt to fill all of its positions through the Match.*
- *Programs must place all positions in the Match or no positions in the Match.*

Possible Exceptions

- “accelerated” programs, e.g. Family Medicine
- rural scholars programs
- combined clinical-research programs where the first year is not clinical
- IMGs with funding from their home countries
- programs in rural and geographically underserved areas
- resident transfers to a different program in same specialty
- mid-career specialty changes
- off-cycle residents, where training does not begin in July
- dually-accredited programs
- partially matched applicants at end of SOAP
