REGISTRATION

Match opens: September 15, 2018 at 12:00 p.m. ET

- Register for the Match.** Users must not share their username and password.
 - **New School Official/Administrator:** Create your individual account in the Registration, Ranking, and Results® (R3®) system using the token link sent by email when the Match opens.
 - **Returning School Official/Administrator:** When the Match opens, log in to the R3 system by entering your username and password.
- Set a school administrator.** If desired, school officials can contact the NRMP to assign a school administrator to assist with the matching process. - Remind students to register for the Match.** Students must register with both NRMP and ERAS® to use the services of each. Standard registration for the Match is available September 15 - November 30 for the \$85 registration fee; after November 30, an additional \$50 late registration fee will be charged.
- Share [The Match Process](#) and [How the Matching Algorithm Works](#)** videos with students for an overview of the Matching Program, and encourage them to review the applicant resources on www.nrmp.org under "Residency".
- View medical school resources** on www.nrmp.org under "Residency".
- Like and follow the NRMP** on Facebook, Twitter, or LinkedIn for reminders and updates. Use #Match2019 in social media posts and follow the conversation on [Tagboard](#).
- Track the registration and participation of allopathic students by [uploading rising seniors](#).** Functionality to upload the student list begins at 12:00 p.m. ET on October 1. (*U.S. allopathic schools only*)
- Remind students to enter their NRMP ID in their MyERAS personal information section.** Students can send the ERAS application without an NRMP ID, but they should log back in to ERAS to provide it so programs can find them easily during the ranking process.
