  - To search only for programs with osteopathic recognition, check the “Osteopathic Recognition” box below the search fields.

7. Click **Submit**.

8. Click **Reset** to clear the search fields.

9. Search results display.

- a. If more than 25 results display, use the navigation buttons to review additional results.

- c. Programs with a yellow flag have a “pending action” resulting from a violation investigation. For further information on program violations, applicants can view the Institution and Program Violations report.
