Main Residency Match

Users:

DO School Officials (SOs)

DO School Administrators (SAs)

After the Main Residency Match has concluded, NRMP asks DO medical school officials and administrators to verify, and update if necessary, the USMLE and COMLEX scores and/or passing status of students and graduates who participated in the Match. Score verification in the Registration, Ranking, and Results[®] (R3[®]) system ensures the NRMP possesses the most accurate applicant data for its reports and publications, including *Charting Outcomes in the Match*.

Although verification is voluntary, each school that completes the score verification process will receive, when Match registration begins, a *Characteristics of Matched Seniors* report comparing the characteristics of the school's matched senior students with national percentile information.

To address confidentiality concerns, the Match Participation Agreement states that applicants authorize their medical schools to release, verify, and transmit COMLEX and USMLE test scores and status to NRMP. In addition, during the Match registration process, applicants may elect not to enter their information in the R3 system and/or opt out of having their data used for research.

- 1 Open r3.nrmp.org to access the Registration, Ranking, and Results (R3[®]) system.

The screenshot shows the top navigation bar of the R3 system with the MATCH logo and links for Login, Register for Residency, and Register for Fellowship Match. Below the navigation bar is a breadcrumb trail: United States -> Registration, Ranking, and Results (R3[®]). The main content area is titled "All Returning Users" and includes a red asterisk indicating a required field. The text reads: "Applicants and Staff from Institutions, Hospitals, Programs, or Schools. If you have already created a Username and Password for a current Match, enter them here. Applicants with login credentials from a previous Match must register for each new Match in which you plan to participate. Select the appropriate 'Register' option to proceed." Below this text are two input fields: "* Username:" and "* Password:", both with question mark icons. A link "I forgot my Username or Password" is located below the password field. At the bottom of the form is a "Login" button with a right-pointing arrow.
