

Couples: Viewing & Certifying Rank Order Lists

Users:

- Fellowship Match Applicants

The screenshot displays the 'View Partner's ROL' page on THE MATCH website. At the top, there are tabs for 'My Rank Order List' and 'View Partner's ROL'. Below the tabs, a 'Print Partner's List' button is visible. The main content area shows the 'Couple Partner: Tad King - N0488024' and 'Partner Primary ROL'. A table lists the rank order list entries, including Rank, Institution & Program Description, Status, NRMP Program Code, and ACGME Program Code.

Note: This Viewing and Certifying Rank Order Lists (Couples) guide explains how to complete this task using a mobile device. The menu options are the same whether using a mobile device or desktop.

Guidelines for Participating in the Match as a Couple:

- Both partners must be participating in the same Match and each partner must pay the current couple fee. If the partners later decide not to participate as a couple, the fee is not refundable.
- The matching algorithm treats the rank order lists of a couple as paired ranks. If all ranks are exhausted and the couple does not obtain a match, the algorithm does NOT process their rank order lists separately.
- The partners must have the same number of ranks on their rank order lists.
- A program can be ranked multiple times on each partner's rank order list in order to create as many rank combinations as possible; however, pairs cannot be duplicated. If duplicate pairs are identified in the R3 system when the rank order lists are certified, the rank order lists of both partners must be edited to remove the duplicate pairs. The rank order lists must be re-certified before the Rank Order List Deadline.
- The R3 system allows couples to compare their rank order lists, however, the NRMP recommends creating lists in a spreadsheet prior to entering each rank order list in R3 to ensure the lists do not contain duplicate pairs.
- Couples have the option to rank a "No Match" code. The No Match code is entered by one partner and means that, if the other partner can be matched at that rank, the partner ranking the No Match code will not match. The No Match code for fellowship programs is 8888888888. Pairs of ranks using the No Match code should be placed at the bottom of the rank order list so that both partners have the best chance of matching to programs.
- The partners must have the same number of ranks on their primary rank order lists, and each partner can submit no more than 300 ranks.
- Each partner can create a rank order list that includes up to 20 unique programs without incurring extra rank fees. Even if a program is listed multiple times, it counts as only one unique program. The No Match program code counts as one of the 20 unique programs.
- For each partner's rank order list with 100 or more ranks, there is an additional, graduated charge based on the length of the rank order list. See the NRMP website for current additional fees.
- Once rank order lists are ready to be certified, one partner must certify a list before the other partner. Do not certify lists at the same time. Certifying lists at the same time prevents the R3 system from verifying the number of ranks on each partner's list.

Related Guides for Couples and Rank Order Lists:

Prior to certifying your rank order list, you must couple in the Registration, Ranking, and Results (R3®) system.

- Refer to the **Applicant Coupling** guide to establish the couple relationship with your partner.
- Refer to the **Entering and Certifying a Rank Order List (SMS)** guide for those steps.

Login:

1. Enter the **Username** and **Password** you created for accessing the R3® system.
2. Click **Login**.

The screenshot shows the mobile interface of THE MATCH National Resident Matching Program. At the top, the logo 'THE MATCH' is displayed. Below it, the text 'United States - R3®' is visible. The main section is titled 'All Returning Users' and includes a note: 'Applicants and Staff from Institutions, Hospitals, Programs, or Schools. If you have already created a Username and Password for a current Match, enter them here.' There are two input fields: '* Username:' and '* Password:'. A red circle with the number '1' is placed over the Username field. A red box encloses both the Username and Password fields. Below the fields is a link: 'I forgot my Username or Password'. At the bottom of the form is a 'Login' button with a right-pointing arrow. A red circle with the number '2' is placed over the Login button. The footer contains links for 'Contact Us', 'Copyright Notice', and 'Privacy Statement', along with copyright information for 2001-2017.
