

Fellowship Match Applicant Checklist

Check the [Schedule of Dates](#) for your specific Match events.

Registration

- [Register for the Match](#) in the NRMP's Registration, Ranking, and Results® (R3®) system. Programs cannot rank applicants until the applicant's NRMP registration is complete. [Registration resources](#) are available to help you through the registration process.
- Read and review the [Match Participation Agreement](#) and [Code of Conduct](#).
- **Enter NRMP ID in MyERAS Personal Information section if the fellowship match is using ERAS® to process applications.** Applicants can submit the ERAS® application to programs without an NRMP ID but should log back into ERAS and provide it so programs can find you easily during the ranking process.
- **Download The Match PRISM app** for [Apple](#) or [Android](#) to track, organize, and rate programs during interviews.
- **Like and follow the NRMP** on Facebook, Twitter, or LinkedIn for reminders and updates. Use #FellowMatch in social media posts.
- **Interview with fellowship programs.**

Ranking

- Access [NRMP online resources](#) for tutorials and information about creating and certifying a rank order list (ROL), participating in the Match as a couple, and how the matching algorithm works.
- **Begin [creating a rank order list \(ROL\)](#) in the R3 system.** Applicants should rank programs in order of TRUE PREFERENCE, not where they think they will match.
- **Complete and [certify the rank order list](#).** Do not wait until the last minute to enter a ROL in the R3 system. NRMP will not enter or modify ROLs at any time during the Match.

Results

- **Get your Match results!** Results are available by courtesy email and in the R3 system at 12:00 p.m. ET on Match Day. Unmatched applicants can view the *List of Unfilled Programs*.
