Fellowship Match Applicant Checklist

Check the Schedule of Dates for your specific Match events.

Registration

- **Register for the Match** in the NRMP’s Registration, Ranking, and Results® (R3®) system. Programs cannot rank applicants until the applicant’s NRMP registration is complete. **Registration resources** are available to help you through the registration process.

- Read and review the **Match Participation Agreement** and **Code of Conduct**.

- Enter NRMP ID in MyERAS Personal Information section if the fellowship match is using ERAS® to process applications. Applicants can submit the ERAS® application to programs without an NRMP ID but should log back into ERAS and provide it so programs can find you easily during the ranking process.

- **Like and follow the NRMP** on Facebook, Twitter, or LinkedIn for reminders and updates. Use #FellowMatch in social media posts.

- **Interview with fellowship programs.**

Ranking

- Access **NRMP online resources** for tutorials and information about creating and certifying a rank order list (ROL), participating in the Match as a couple, and how the matching algorithm works.

- **Begin creating a rank order list (ROL) in the R3 system.** Applicants should rank programs in order of TRUE PREFERENCE, not where they think they will match.

- **Complete and certify the rank order list.** Do not wait until the last minute to enter a ROL in the R3 system. NRMP will not enter or modify ROLs at any time during the Match.

Results

- **Get your Match results!** Results are available by courtesy email and in the R3 system at 12:00 p.m. ET on Match Day. Unmatched applicants can view the **List**
of Unfilled Programs.

- **Celebrate your Match with us!** Share photos and videos on social media with #FellowMatch.
