- SOAP Eligibility and Communications
- Accessing the Unfilled Programs List on Monday of Match Week

WHAT IS SOAP®

- Supplemental Offer and Acceptance Program® (SOAP®)
- Programs review ERAS® applications, contact applicants, and express preferences with lists created in the R3® system.
- Unfilled positions are offered to eligible applicants on the program's preference list in a series of four rounds.
- It is NOT another Match and applicants do NOT enter a rank list.
- Positions offered and accepted constitute a binding commitment under the Match Participation Agreement.

SOAP ELIGIBILITY REQUIREMENTS

**There is no separate
SOAP registration
Applicants must have
been registered by
March 1 to participate
in the Match and SOAP**

- To participate in SOAP, applicants must have been **registered** for the 2023 Main Residency Match by March 1, have been **verified** as eligible to enter GME on July 1, and be fully or partially **unmatched**.
- How an applicant is verified depends on applicant type:
 - ✓ The ECFMG® verified credentials of IMGs
 - ✓ Medical Schools verified eligibility for US MD and DO Seniors and Graduates
- Either the school or the NRMP withdraws applicants whose credentials were not verified by the Rank Order List (ROL) Deadline.
- A SOAP eligibility email is no longer being sent.

COMMUNICATION DURING SOAP

SOAP-eligible applicants:

- Can access the *List of Unfilled Programs* only for positions for which they are eligible.
- Can apply only to unfilled Match-participating programs that are participating in SOAP.
- Are prohibited from using any means other than an ERAS application to apply to and contact programs.

No contacting programs until the program initiates contact with you!

SOAP PARTICIPATION EXCEPTION

Fully unmatched SOAP-eligible applicants who want to pursue interests other than clinical residency training may do so provided:

- The position sought is not affiliated with a Match- or SOAP-participating residency program;
- The position does not qualify for training credit in an ACGME-accredited residency program; and
- The applicant does not submit any applications to SOAP-participating programs during Match Week.

MATCH WEEK AND SOAP SCHEDULE

Learn if you matched on Monday, March 13 at 10:00 a.m. ET via NRMP's R3 system and email.

Partially-unmatched applicants and couple applicants whose partner did not match will have the city, state, and zip code of their matched program provided.

Unmatched or partially unmatched applicants will have access to the *List of Unfilled Programs* under the SOAP tab in NRMP.

Begin applying to programs in MyERAS at 11:00 a.m., ET.

Electronic Residency Application Service (ERAS) in NRMP SOAP®

Laurel Constantine
Senior ERAS Training Specialist

Electronic Residency Application Service (ERAS®)

The Electronic Residency Application Service (ERAS) streamlines the residency application process for applicants, their Designated Dean's Offices, Letter of Recommendation (LoR) authors and program directors. By providing applicants the ability to build and deliver their application and supporting materials individually or as a package to programs, ERAS provides a centralized, but flexible solution to the residency application and documents distribution process.

Preparing for SOAP in MyERAS

Prior to Match Week, ERAS recommends that applicants:

Log into their AAMC account and confirm access.

- Use the *Forgot username/password* options or contact ERAS Client Technical Support for assistance with any login issues.

Certify and submit their MyERAS application, if not already completed this season.

- Except for the Personal Information section, the application cannot be edited once it has been certified and submitted.

Keep Personal Information section (e.g. NRMP ID) updated in MyERAS.

Preparing for SOAP in MyERAS

Ahead of Match Week, ERAS recommends applicants:

Upload any new or updated supporting documents

- Medical School Transcript, Medical Student Performance Evaluation (MSPE), Letters of Recommendation (LoRs)
- USMLE and/or COMLEX-USA Transcript release
 - NBME, NBOME, and the ECFMG understand the need for expediency during this time and work to resolve these requests as quickly as possible before and throughout SOAP
- Personal statement(s) or photo

Requirements in MyERAS during SOAP

In order to apply to programs in ERAS during SOAP:

- Applicants must be SOAP-eligible (eligibility is determined by NRMP).
 - Applicants may refer to the NRMP Registration, Ranking, and Results (R3) system for their match status.
- The MyERAS Application must be Certified & Submitted
 - For those who submitted an application during ERAS 2023, this step is complete.
 - For those who did not complete this as part of the regular ERAS 2023 season, go to the MyERAS application and certify and submit prior to Match week.

ERAS Fees during SOAP

If an applicant applied to at least one residency program by **7:30 a.m. ET Monday March 13, 2023**, there is no fee to participate.

- Non-SOAP ERAS Application fees can be found on the ERAS for Applicants website.

If an applicant has not applied to at least one residency program before Monday, March 13 at 7:30a.m. ET and is SOAP-eligible, they will pay the ERAS base fee of **\$99** to participate.

If an applicant has not sent their USMLE or COMLEX-USA transcripts during the ERAS 2023 season, a fee of \$80 per transcript type will apply.

ERAS Applications during SOAP

- **All SOAP applicants have 45 applications to use as they wish throughout SOAP.**
 - **The 45-application maximum includes all (new and reapplied to) programs that the applicant applies to during SOAP.**
