

## USMLE Score Verification

### Main Residency Match

#### Users:

- MD School Officials (SOs)
- MD School Administrators (SAs)

After the Main Residency Match has concluded, NRMP asks medical school officials and administrators to verify, and update if necessary, the USMLE scores and/or passing status of students and graduates who participated in the Match. Score verification in the Registration, Ranking, and Results® (R3®) system ensures the NRMP possesses the most accurate applicant data for its reports and publications, including Charting Outcomes in the Match.

Although verification is voluntary, each school that completes the score verification process will receive, when Match registration begins, a Characteristics of Matched Seniors report comparing the characteristics of the school's matched senior students with national percentile information.

To address confidentiality concerns, the Match Participation Agreement states that applicants authorize their medical schools to release, verify, and transmit USMLE test scores and status to NRMP. In addition, during the Match registration process, applicants may elect not to enter their information in the R3 system and/or opt out of having their data used for research.

- 1 Open [r3.nrmp.org](https://r3.nrmp.org) to access the Registration, Ranking, and Results (R3®) system.

The screenshot shows the login page for the R3 system. At the top is the 'THE MATCH' logo with the tagline 'NATIONAL RESIDENT MATCHING PROGRAM®'. To the right of the logo are links for 'Login', 'Register for Residency', and 'Register for Fellowship Match'. Below the logo, it says 'United States -- Registration, Ranking, and Results ®(R3 ®)'. A green bar below that says 'All Returning Users'. On the right side of this bar, there is a red asterisk and the word 'Required'. The main content area has a light gray background and contains the following text: 'Applicants and Staff from Institutions, Hospitals, Programs, or Schools. If you have already created a Username and Password for a current Match, enter them here.' and 'Applicants with login credentials from a previous Match must register for each new Match in which you plan to participate. Select the appropriate "Register" option to proceed.' Below this text are two input fields: '\* Username:' and '\* Password:'. Each field has a question mark icon to its right. Below the password field is a link that says 'I forgot my Username or Password'. At the bottom of the form is a blue 'Login' button with a right-pointing arrow.

The **Score Verification** pop-up displays. If the applicant took the USMLE Step 1 after January 26th, 2022, a prompt to select a pass/fail status will display instead of a score field.

Enter the correct scores or passing status.

- Click **Update Scores** to save the entered scores.
- Click **Cancel** to re-enter the scores.

Repeat the above steps for each applicant whose scores need to be added or changed.

Locate the **USMLE Scores Verified** column. Once you have confirmed the scores are correct and made any necessary updates, click the **Verified** checkbox for each applicant. **Only one page of applicants can be verified at a time.**

a. Click **Save Verifications** when you have finished verifying scores on that page. The information is not saved automatically.

b. Click **Cancel** if you would like to remove the verifications.

The screenshot shows the THE MATCH National Resident Matching Program interface. At the top, there is a navigation bar with the logo and various links. Below the navigation bar, there are two buttons: "Cancel" (labeled 9b) and "Save Verifications" (labeled 9a). Below these buttons is a table of applicants. The table has columns for NRMP ID, AAMC ID, USMLE ID, Name, User Type, Status, Grad Date, Grad Verified?, USMLE Step 1, USMLE Step 2 CK, and USMLE Verified. The "USMLE Verified" column contains checkboxes for each applicant. A red box highlights the "USMLE Verified" column, and a red circle highlights the "Save Verifications" button. Below the table, there is a pagination bar showing "1 to 9 of 9 rows" and navigation buttons for "First", "Prev", "Next", and "Last".
