

2025 Main Residency Match® Institution Checklist

Resources and support guides to assist you with the Match process are available at www.nrmp.org.

Registration

Main Residency Match opens: September 16, 2024, at 12:00 p.m. ET

- Register for the Match. NRMP accounts are assigned to the user, not the institution or program. Users must not share their username and password.
 - New Institutional Official/Administrator: Create your individual account in the Registration, Ranking, and Results[®] (R3[®]) system using the token link sent by email when the Match opens.
 - Returning Institutional Official/Administrator: Log in to the R3 system when the Match opens by entering your username and password.
- **Set an institutional administrator.** If desired, institutional officials can add or update an institutional administrator in the R3 system to assist with the matching process. The administrator must create an individual account. It is a Match violation if the administrator uses the institutional official's log in credentials.
- Confirm that the programs, program director(s), and coordinator(s) listed in the R3 system are correct and make changes as needed.
- Check with program directors to confirm which programs should be activated
 for Match participation. Program directors will not be able to update any program
 or quota information until their programs have been activated. Institutional officials
 are required to approve all quota changes, reversions, and other program changes.
 Support guides and resources are available to walk you through the change
 approval process.
- Watch video on "Institution and Program Match Process" and view program resources and the Match calendar.
- Ensure all staff involved in the interview and matching processes understand and adhere to the terms of the **Match Participation Agreement** and **Code of Conduct**.
- Encourage program directors to update the program's public contact information. This information is under the Program Directory Information tab in the

R3 system.

- Like and follow the NRMP on Facebook, X, or LinkedIn for reminders and updates. Use #Match2025 in social media posts.
- Approve all program quota changes and withdrawals in the R3 system. The
 quota is the number of residents NRMP will attempt to match to your program(s) for
 the appointment year. If a program is not participating in the Match, it must be
 withdrawn by the Quota Change Deadline. <u>Support guides and resources</u> are
 available to walk you through the change approval and withdrawal process.

Quota Change/Withdrawal Deadline: January 31, 2025, at 11:59 p.m. ET

Approve the Match Week Supplemental Offer and Acceptance Program[®]
 (SOAP[®]) participation status for every Match-participating program. NRMP
 encourages programs to participate in SOAP in the event some positions are not
 filled when the matching algorithm is processed. SOAP participation status must be
 selected and approved by the Quota Change Deadline.

SOAP Participation Status Verification Deadline: January 31, 2025, at 11:59 p.m. ET

Ranking

Rank order list opens: February 3, 2025, at 12:00 p.m. ET

- Monitor and <u>approve reversions</u> in the R3 system. <u>Reversions</u> are an option to revert, or donate, unfilled positions in one program to another during the matching process. Reversions must be approved by the Rank Order List Certification Deadline.
- Monitor and ensure Match-participating programs have <u>certified rank order</u> <u>lists</u> by the Rank Order List Certification Deadline.
