All In Policy Attestation

Under the terms of the NRMP All In Policy, any program participating in the Main Residency Match must attempt to fill all positions through the Match or another national matching plan. In rare instances, exceptions to the All In Policy may be approved. Programs approved for an exception can submit an attestation for up to three years, provided the director affirms that the structure and function of the program remain unchanged.

I _____ hereby attest that the structure and function of the
　　　　　　(Name of Program Director)

_____ at _____ participating in the
　　(Residency Training Program)　　　　　　　　　(Match-Participating Institution)

_____ remains unchanged from the description provided and
　　　　　　　　(Match and Year)

approved on the All In Exception Form submitted on _____.
　　　　　　　　　　　　　　　　　　　　　　　　　　　(Date)

Summary Statement: Provide a brief description about current students and their progress toward achieving program goals. Include data on program graduates, if available.

I understand that the All In Policy exception can be extended for up to three years provided the program remains unchanged. I also understand that after three years, I am required to submit a new request for continued consideration of an exception to the All In Policy.
