Match Agreements for the 2025 Main Residency Match

The NRMP has posted the Match Participation Agreements for the 2025 Main Residency Match. Updates for the 2025 Match Cycle include:

- New language encouraging timely reporting of alleged violations of Match Agreements.
- Modified language about the dispute resolution process for parties to the Match that are identified as state entities.
- Elimination of late fee penalties for institutions with unpaid invoices.

You can [view slides](#) that outline the specific revisions in the Match Participation Agreements. Please review the Match Participation Agreements and if you have questions, please reach out to policy@nrmp.org. We look forward to supporting you through the 2025 matching process.
