

Policy Corner – December 2024

Revised and Refreshed Policy Hub on the NRMP Website and Policy Webinar for Fellowship Programs

The NRMP is pleased to share that the [Policies and Compliance](#) page on the NRMP website has been updated to reflect better formatting, improved searchable themes, and curated content. Much as the NRMP did with its Match Data hub this summer, the Policies page features:

- Left filter option that clearly identifies topics of interest
- Targeted headers to allow for quick access to Match Agreements, Policies, and Codes of Conduct
- Timely and relevant resource content (e.g., videos, FAQs) to educate Match participants and grow their awareness of and compliance with policy

We hope you will take a minute to visit the [new Policies and Compliance page](#) and see all that it has to offer! If you have questions, please email policy@nrmp.org.
