Applicant Participation in the Match

The Rank Order List Certification Deadline and the deadline for applicants to register for the Match and SOAP:

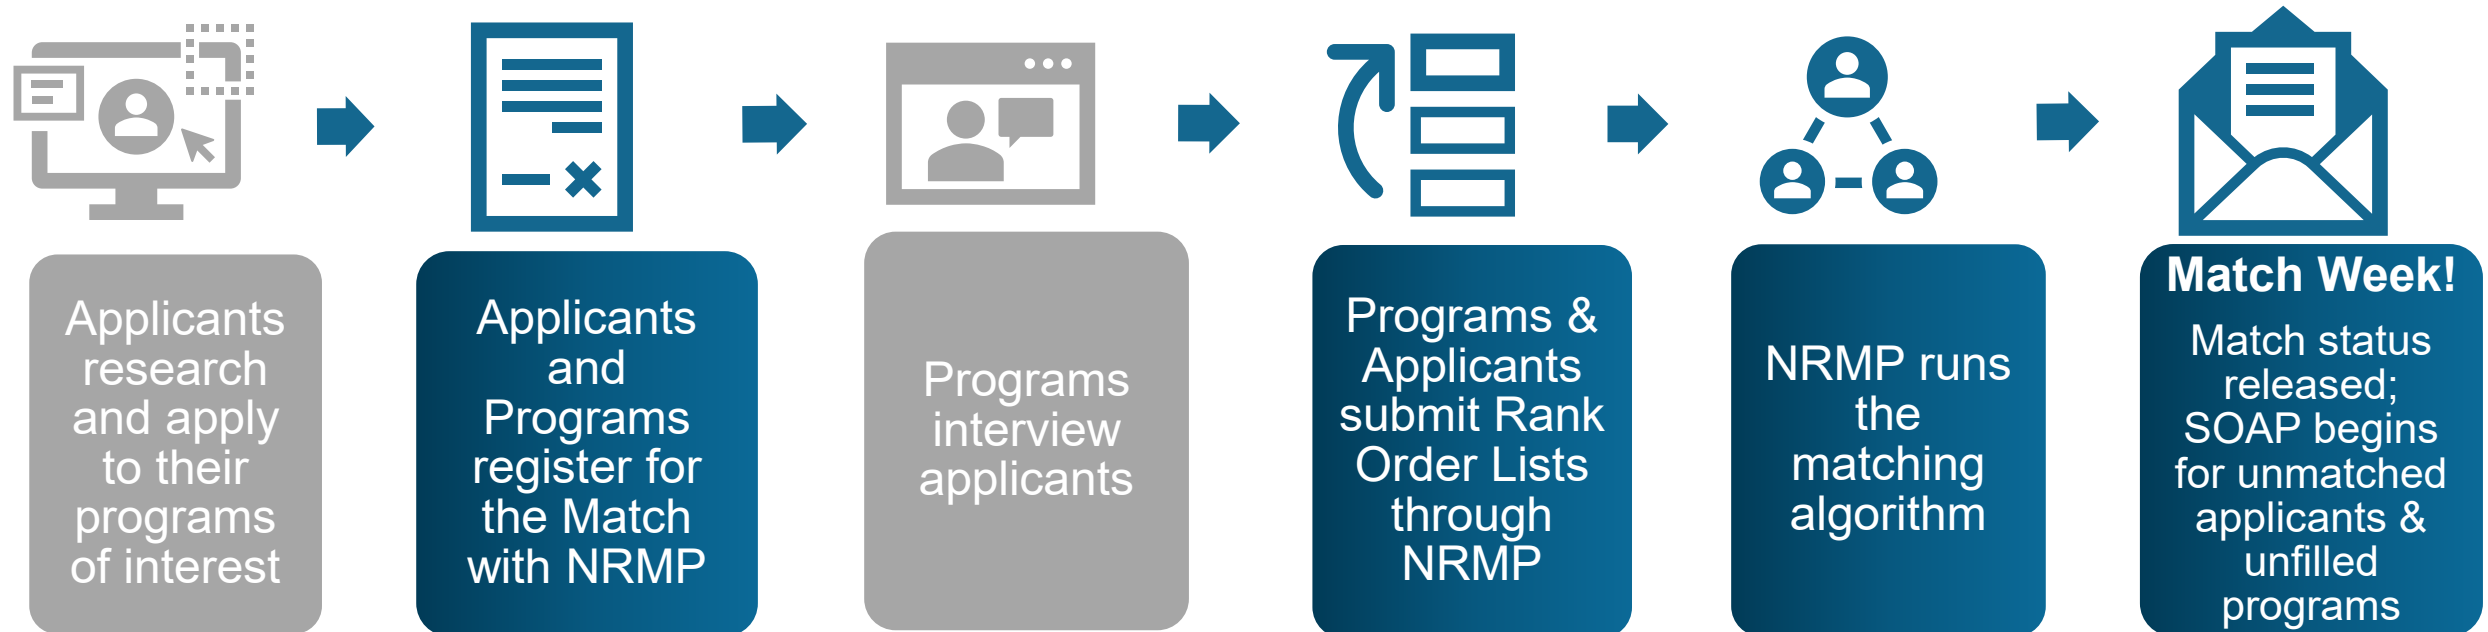

Wednesday, March 4 at 9:00 p.m. Eastern Time

Applicants must:

- Complete the registration process in the NRMP's Registration, Ranking, and Results® (R3®) system
- Electronically sign the Match Participation Agreement
- Pay all Match fees
- Certify your rank order list (if you intend to participate in the Match)
- Be verified as eligible to enter GME by July 1
 - U.S. medical students are verified by their medical schools
 - IMGs are verified by the ECFMG

The Application and Matching Process

What is SOAP?

The Supplemental Offer and Acceptance Program (SOAP) is **not** another Match

Applicants apply to programs using the application service designated by the program

Programs review applications and contact applicants of interest. Programs then create preference lists of applicants in the NRMP's R3 system

Unfilled positions are offered to eligible applicants on the program's preference list in a series of four rounds

Positions offered and accepted constitute a binding commitment under the Match Participation Agreement

Applicant SOAP Eligibility

There is no separate
SOAP registration

Applicants must be
registered in the
NRMP by March 4th
to participate in the
Match and SOAP

To participate in SOAP, you must **register** by March 4, be **verified** as eligible to enter GME on July 1, and be fully or partially **unmatched**

- How an applicant is verified depends on applicant type:
 - ✓ The ECFMG® verifies credentials of IMGs
 - ✓ Medical Schools verify eligibility for US MD and DO Seniors and Graduates
- Either the school or the NRMP withdraws applicants whose credentials are not verified by the Rank Order List (ROL) Deadline

Communication During SOAP

SOAP-eligible applicants:

- Can access the *List of Unfilled Programs* in NRMP. The *List* will show only programs for which the applicant is eligible based on their matched status
- Are prohibited from using any means other than the application designated by the program to apply to and contact programs
- Can apply only to unfilled Match-participating programs that are participating in SOAP

Other than submitting the application, you (or your representatives) cannot contact programs until the program initiates contact

SOAP Participation Exception

Fully unmatched SOAP-eligible applicants who want to pursue interests other than clinical residency training may do so provided:

- the position sought is not affiliated with a Match- or SOAP-participating residency program;
- the position does not qualify for training credit in an ACGME-accredited residency program; and
- the applicant does not submit any applications to SOAP-participating programs during Match Week.

2026 Match Week & SOAP Schedule

Unmatched or partially unmatched applicants will have access to the *List of Unfilled Programs* under the SOAP tab in **NRMP**. The *List* includes all specialties using all application services
The *List* displays the application service being used by the program

Begin applying to programs in the application service designated by the program at 11:00 a.m. ET

SOAP Unfilled Programs List

The screenshot shows the NRMP website interface. At the top, the navigation bar includes the 'THE MATCH' logo, a notification bell, a home icon, and links for 'Home', 'Options', 'ROL', 'SOAP', and the user 'Imani Sekibo'. The 'SOAP' link is highlighted with a red box, and a dropdown menu is open, showing 'Unfilled Programs' and 'Offers'. A red arrow points to 'Unfilled Programs'. Below the navigation bar, a green banner reads 'United States - Registration, Ranking, and Results ©(R3 ©)'. The main content area has a dark green header 'Match Home Page'. Below this, a light blue box displays the user's profile information:

Types of Programs in the Match

| | | |
|---------------------------------|----------|---|
| Categorical | C | Training that is 3-7 years in length, begins in the PGY-1 year, and leads to specialty board certification. |
| Primary Care Categorical | M | Categorical programs in primary care offered by some <u>Internal Medicine</u> and <u>Pediatrics</u> programs. |
| Preliminary | P | Training that is one year in length in transitional, medicine, surgery, or other specialty programs and provides the prerequisite training for advanced programs. |
| Advanced | A | Training that is 3-4 years in length in specialty programs that begin after one or more years of preliminary training. Advanced positions in the 2026 Match are PGY-2 positions that begin in 2027. |
| Reserved-Physician | R | Training in specialty programs reserved for physicians with prior graduate medical education and who can enter advanced training in the year of the Match. Reserved-Physician positions in the 2026 Match are PGY-2 positions that begin in 2026. |

Applying to Unfilled Programs

SOAP-eligible applicants can view the *List of Unfilled Programs* in the NRMP's R3 system and then apply for unfilled positions for which they are eligible

Each application service will display **ALL** the unfilled programs using that service for SOAP

- Example: An applicant who matched to an advanced Neurology program is only eligible to apply to and accept preliminary positions during SOAP. However, the applicant will be able to see all unfilled Neurology programs in ERAS.

Applicants are responsible for ensuring they apply only to positions for which they are eligible, as shown on the *List of Unfilled Programs*.

Applicants can apply to:

- Different specialties than they previously applied
- Unfilled program(s) to which they previously applied

Application Services

NRMP and the application services are separate organizations with separate systems

ResidencyCAS

- Emergency Medicine
- Combined Emergency Medicine
- Obstetrics and Gynecology

AAMC's Electronic Residency Application Service® (ERAS®)

- All other Main Residency Match-participating specialties

Applying during SOAP

All application services will adhere to the same schedule, number of applications, and costs

- 45 applications to use in each application service for the duration of SOAP
 - Not all services may have 45 unfilled programs during SOAP
- No additional fees to apply during SOAP if the applicant applied to at least one program using that application service for the 2026 season, prior to the start of SOAP

If the applicant did not use a specific application service during the regular season:

- \$99 fee to apply during SOAP

NRMP does not manage the application process for the Match or SOAP

Requirements in MyERAS Application during SOAP

In order to apply to programs in the MyERAS application during SOAP:

01

SOAP Eligibility

Applicants must be SOAP-eligible (eligibility is determined by NRMP).

- Applicants may refer to the NRMP Registration, Ranking, and Results® (R3®) system for their match status.

02

Certified and Submit

The MyERAS application must be Certified and Submitted

- Applicants who sent an application during the 2026 ERAS season, this step is complete.
- Applicants who did not complete this as part of the regular 2026 ERAS season, go to the MyERAS application and certify and submit prior to Match week.

ERAS Fees During SOAP

If an applicant has not applied to at least one residency program before Monday, March 16 at 7:30 a.m. ET and is SOAP-eligible, they will pay the ERAS base fee of \$99 to participate.

01 - No Fee If

02 - Fee If

03 - USMLE or
COMLEX - USA

If an applicant applied to at least one residency program by 7:30 a.m. ET Monday March 16, 2026, there is no fee to participate.

- Non-SOAP ERAS Application fees can be found on the ERAS for Applicants website.

If an applicant has not sent their USMLE or COMLEX-USA transcripts during the 2026 ERAS season, a fee of \$80 per transcript type will apply.

ERAS Applications during SOAP

01

Applicants can apply to a total of 45 ERAS service-participating programs for the entire SOAP process.

- The 45-application limit includes new and previous programs that the applicant applied to during the 2026 ERAS application season.

02

Applicants cannot withdraw an application after it has been submitted. All applications will count toward the 45-application limit.

03

Applicants should refer to the NRMP R3 system in between rounds for programs they are eligible for based on their match status.

Applying to Programs in MyERAS Application during SOAP

Please refer to the NRMP's R3 system for programs you are eligible for and check that the NRMP Code matches an eligible program before applying. *Keep in mind the 45-application maximum for the entire SOAP process.*

01

Review the NRMP's List of Unfilled Programs.

02

Navigate to MyERAS application; login with your AAMC account.

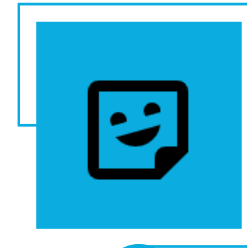

03

Search for programs in the Programs tab.

04

Select desired training track(s) and save your programs.

05

Select the programs you would like to apply to and choose the Apply/Preview Invoice option.

06

Assign documents.

Supplemental Offer and Acceptance Program (SOAP) Eligibility

During Match Week (December 9-25, 2025) unmatched and partially matched applicants may participate in SOAP to try to obtain an unfilled ACGME-accredited residency position.

To participate in SOAP, applicants must be:

1. Registered with NRMP for the Main Residency Match®.
2. **Eligible to enter graduate medical education** on July 1, 2025, as verified by the applicant's medical school or the Educational Commission for Foreign Medical Graduates (ECFMG™), a member of Intealth™.
3. Unmatched or partially matched on Monday of Match Week.

If you are fully matched, you may not submit any applications during SOAP, as you are not eligible for any program other than the program to which you were matched. Any applications submitted by fully matched applicants or applicants who did not register for the NRMP Main Residency Match will not be refunded. For more information about participation in SOAP, please go to [ERAS® Program SOAP® Information](#).

If you did not participate in the NRMP Match, you can apply for any open positions on Wednesday, February 25th after 9:00 pm ET.

Residency Explorer Tool™

Co-sponsored by 9 different National Organizations in the transition to residency, the tool synthesizes data from AAMC (ERAS application and Thalamus Core), ACGME ADS, GME Track (jointly owned by AAMC and AMA), NBME, NBOME and NRMP. The Residency Explorer™ Tool empowers all aspiring physicians to find, explore, and make informed decisions about where to apply to residency.

With more information at their fingertips, applicants can find programs that align with personal and professional needs and interests.

The screenshot displays the Residency Explorer Tool interface. On the left is a dark blue sidebar with navigation links: Home, My Profile, and Explore. Below 'Explore' are filters for 'Refine By: Location' (listing CA, CO, NY, VA) and 'State' (listing MO, PA). The main content area has a top navigation bar with links for About, Data, Help, and FAQ, and a 'Change Specialty' dropdown set to 'Internal Medicine'. The 'Explore Programs' section includes a search bar and a 'Compare Programs' button. Below this, the 'Compare Programs' modal is open, showing a list of program characteristics and educational opportunities with checkboxes for selection. A 'Download Comparison' button is visible at the bottom right of the modal. A table on the right shows search results for programs in California, with columns for City, State, and Region.

Welcome & Introduction

SOAP 2026

Preparing for SOAP in ResidencyCAS

Preparing for SOAP with ResidencyCAS

- Used for OB-GYN and Emergency Medicine (including combined programs)
- Supports application submission and document delivery
- Used by applicants and programs
- NRMP governs eligibility, timing, and offers

Account Access & Preparation

Account Access

- Accounts cannot be created independently
- Access is provided by the medical school or student affairs office
- **Applicants may request access at any time if they anticipate potentially participating in SOAP**
- Applications may begin once access is granted
- Applies to all applicants, including IMGs (Obtain access through Intealth/ECFMG)

Dear Stephen,

We are pleased to inform you that UNIVERSITY OF MICHIGAN MEDICAL SCHOOL has invited you to begin your residency application in ResidencyCAS 2024 - 2025. To initiate this process, use your Individual Access Link, which is a secure, confidential link that should not be shared with others:

https://residencycas.liaisoncas.com/applicant/login?access_code=t1ewDsPdkC%2Bg9gZmIEiSe1RWhnVclBcJma5Mvfna8Ps%3D

When creating your ResidencyCAS account, you must use the email address to which this message was sent. Otherwise, you won't be able to proceed (you can change your email later). If you have questions or experience difficulty using your link, contact us at (857) 344-0397 or applicantssupport@residencycas.com.

We look forward to supporting you on your journey towards residency.

Best regards,

ResidencyCAS Support Team

SOAP Eligibility & Access

Eligibility

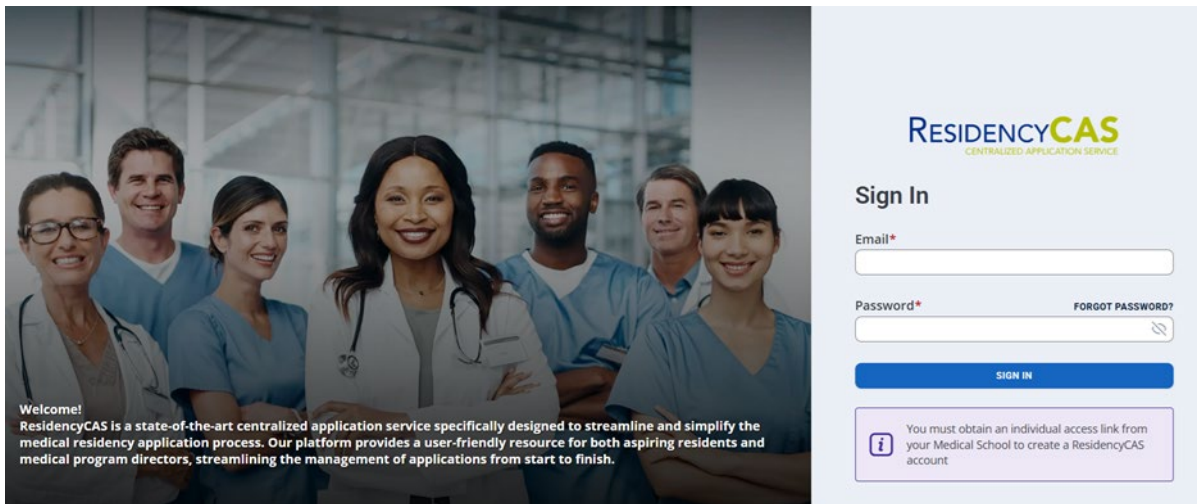

- Determined by NRMP (R3 system)
- ResidencyCAS does not grant eligibility
- Access follows NRMP eligibility

Notification

- Monday, 10:00 a.m. ET: Match results released in R3
- SOAP tab appears for eligible applicants
- List of Unfilled Programs becomes available
- ResidencyCAS programs clearly identified

Before SOAP Opens

- Confirm ResidencyCAS access
- Complete profile information
- **Upload available required documents:** Letters of recommendation, MSPEs, Transcripts, Test scores
- **Do not wait** until Match Week if you are worried about not matching

Applying During SOAP

- SOAP-designated programs only
- Add programs and assign documents
- Submit during SOAP windows
- Programs review starting Tuesday, 8:00 a.m. ET

The screenshot displays the ResidencyCAS Centralized Application Service interface. On the left, a sidebar contains navigation icons and filter sections. The 'Filters' section includes an 'Available' toggle and a 'PROGRAMS' section with checkboxes for 'Available Programs' (checked), 'Future Programs', and 'Past Programs'. Below this is a 'STATE' section with a search bar and checkboxes for 'AL', 'AR', and 'AZ'. The main content area is titled 'Programs' and includes a search bar and a paragraph of instructions. Below the instructions, a table titled 'Watertown University - Obstetrics and Gynecology' lists programs. The first row, 'Obstetrics-Gynecology 123456789- SOAP', is highlighted with a red box, indicating it is a SOAP-designated program. The table columns are Program Name, Program State, Deadline, Program City, Program Type, and Actions.

Where You'll See Letter Sharing Options

ERAS Letter Release

- ERAS letter release banners appear:
- In “What’s Next” and the “Evaluations” section
- Confirmation required before release
- Seeing a banner does not mean letters are shared

WHAT'S NEXT?

Make sure you receive all ResidencyCAS and program emails. [Review Technical Requirements](#) to safe-list addresses and confirm your setup.

Have you added all the programs you want to apply to?

[ADD PROGRAMS](#)

Entering your colleges and universities attended is required for subsequent sections of the application. Enter them early to get a head start!

[COLLEGES ATTENDED](#)

Entering your medical school is required for subsequent sections of the application. Enter them early to get a head start!

If you're participating in SOAP, release your SLOE(s) and recommendations to ERAS®

[RELEASE MY LETTERS](#)

Evaluations

In this section, you can request letters of recommendation and a standardized letter of evaluation (SLOE).

Before getting started, consider the following:

- All program evaluations must be submitted electronically via the ResidencyCAS evaluator portal, Liaison Letters.
- **Research each program's requirements.** Determine whether your programs have specific requirements regarding evaluator roles or relationships before listing evaluators on your application. Many programs have strict guidelines and completed program evaluations cannot be removed or replaced.
- **Prepare your evaluators.** Once you choose your evaluators, be sure to inform them about the process and that they will be completing the program evaluation through ResidencyCAS's Liaison Letters. We recommend getting their preferred email address and asking that they monitor that inbox for your evaluation request (which will come from noreply@residencycas.org), including any junk or spam folders. Once you enter an evaluator and click Save, an email request will be immediately sent to that individual.

Once you have requested a letter, an email request will automatically be sent to the evaluator on your behalf. Please advise your evaluator to look for this email in their inbox, as well as their spam or junk-mail folder, as emails do occasionally get filtered out.

You may assign your letters to specific programs when requesting an evaluation. You can also assign letters in bulk after finishing your request. Visit the [Applicant Help Center](#) for more information on each type of letter, who and when to request each type of letter, and how to assign evaluations.

[VIEW LESS](#)

If you're participating in SOAP, release your SLOE(s) and recommendations to ERAS®.

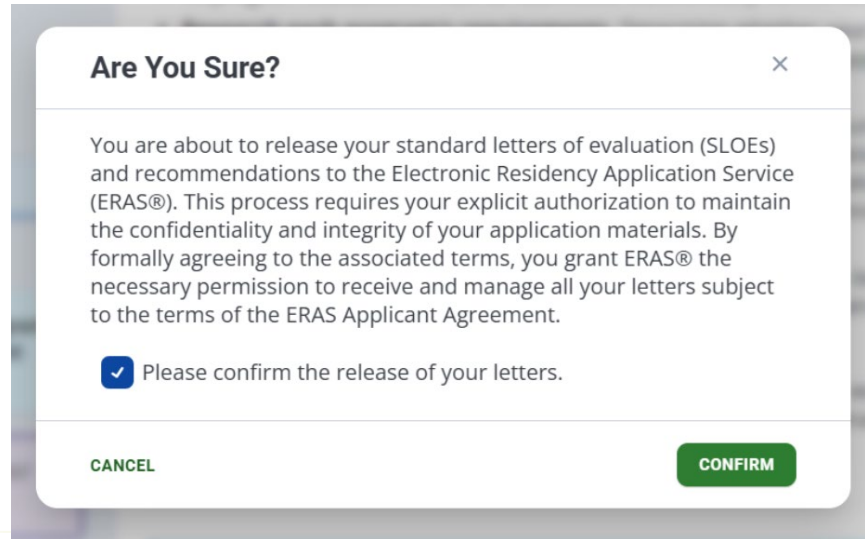

[LEARN MORE](#)

Optional Letter Sharing with ERAS

Letters of Recommendation

- Import letters from ERAS into ResidencyCAS
- Optional release of ResidencyCAS letters to ERAS
- Explicit applicant consent required
- Letter sharing and assignment are separate steps
- Sharing letters does not automatically assign them to programs

Are You Sure? ×

You are about to release your standard letters of evaluation (SLOEs) and recommendations to the Electronic Residency Application Service (ERAS®). This process requires your explicit authorization to maintain the confidentiality and integrity of your application materials. By formally agreeing to the associated terms, you grant ERAS® the necessary permission to receive and manage all your letters subject to the terms of the ERAS Applicant Agreement.

☒ Please confirm the release of your letters.
