

## Enrolling in Multi-factor Authentication for Registered R3 Users

Main Residency Match and Specialties Matching Service

Users:

Institutional Officials (IOs)

Institutional Administrators (IAs)

Program Directors (PDs)

Program Coordinators (PCs)

School Officials (SOs)

School Administrators (SAs)

Users must set up **Multi-Factor Authentication (MFA)** to help protect their account. During MFA setup, users will provide a **U.S. mobile number and/or email address** to receive a 6-digit verification code. Once enrolled, MFA will be required for each login to the NRMP's Registration, Ranking, and Results<sup>®</sup> (R3<sup>®</sup>) system.

1 Open [r3.nrmp.org](https://r3.nrmp.org) to access the R3 system.

The screenshot shows the top navigation bar of the R3 system with the logo and links for Login, Register for Residency, and Register for Fellowship Match. Below the navigation bar is a breadcrumb trail: United States - Registration, Ranking, and Results ©(R3 ©). The main content area is titled "All Returning Users" and includes a red asterisk indicating a required field. The text explains that users should enter their existing credentials if they have already created a Username and Password for a current Match. Below this text are two input fields: "Username:" and "Password:", both marked with a red asterisk and a question mark icon. A link for "forgot my Username or Password" is located below the password field. At the bottom of the form is a "Login" button with a right-pointing arrow.

2 Enter the **Username** and **Password** and click **Login**.
